Description

Fantastic Korean elm wood marriage chest in original untouched condition. This is a solid item constructed with dove tail joints and decorated with fabulous iron ware. The fall front opens to a clean spacious interior with 3 small drawers with original iron handles. Over many years of use it has collected some imperfections however these only add to its appeal as a very functional antique. This is a very decorative item with great colouring and amazing patina that will look stunning wherever it is placed

Internal Ref: SAI2949
