Depth = 6 cm (2.4")

Description

Hi I have for sale a very rare 1900s French carriage clock rare because of the case is chrome plated and has a full calendar movement not really seen on mass, the clock has been fully restored the case and movement/platform so offered for sale in mint condition with everything in 100% working order. The Case The case is in solid heavy brass but chrome plated with plated solid sides instead of glass panels and stands 15cm high to the top of the handle x 7.5cm wide with a depth of 6cm it is in good condition with mint bevelled glass top viewing glass and rear door. The Dial The dial is in good original condition in white with Roman numerals and date markers and brass gilded centres with the three dials and large outer hand adjusted via the knob on the top, it also retains its original black ornate hands. The Movement The movement is an eight-day time only; the movement has been ultrasonic cleaned hand polished serviced and oiled so keeping a great time over the eight days via the original jewelled escapement to the top. . A key is included. Overall a very rare quality carriage clock by a quality maker that looks stunning on display and contains all of its original featur...
