Description

Antique Zenith pocket watch, c1910s. The watch has a stem-winding movement which is working nicely. The movement is signed with the Zenith name and the serial number, 1,373,866, dates it back to the mid 1910s. The movement is protected by an inner hinged cover which is engraved with the wording, 'Grand Prix, Paris 1900'. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and overall the condition is good, just light surface marks and slight unevenness to the case back. The inside of the case back is signed with the Zenith logo. The acrylic lens is in good condition (some reflection showing in the photos). The dial is signed with the Zenith name, together with the wording, Habetin Žižkow, possible the name and location of the original retailer as Žižkow is a district in Prague. The dial is in lovely condition. The watch comes in a new presentation box.
