

SA98214

Pair of Gilt and Ebonised 19thc Empire style Lamps.

Price

Sold**Item Reference: SA98214****Date of manufacture: 19th Century**

Description

An excellent pair of 19th century Table Lamps in the Empire taste with fluted ebonised metal columns below cut glass reservoir, on a square plinth mounted with trophies. They have been completely rewired and complete with handmade embroidered silk shades. One of the finials has been replaced and is different from the other but these can not be seen. They are approx 85 cms tall without the shade and with shade are approx 110 cms.

Internal Ref: 022792
