Description

"This is a matched pair of chandeliers – they are very similar but not exactly the same. They are both of lovely quality and one is slightly larger than the other but they seem a similar size because the smaller one has swags around the outside. They each have three cherubs to the top with swags going down into a brass ring. The brass rings have finials – the smaller one has swags and drips and the larger one has lustres. They both have 3 tiers and are finished with a glass ball. The larger one's brass ring without decoration is 29cm and the smaller one's ring is 25cm They both come with a large bayonet bulb holder B22. H:56 W:37 D:37 H:55 W:36 D:36
