Description

A charming Georgian antique oak side table. The antique side table has a rectangular shaped top with a single fitted drawer below, fitted with two brass drop handles. The oak side table is raised on four turned and square legs with straight stretcher supports. A rather good example, with lovely patina throughout. Item Ref; M-4678 . DIMENSIONS: Height - 73.5cm / Width - 90.5cm / Depth - 54.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, fading, splits and shrinkage to the top (pictured), further marks and splits to the legs (pictured). There are also age-related scratches, marks and fading to the drawer front (pictured). There is evidence of historic woodworm to the legs (pictured), however this is now long gone and has been fully treated as a precaution. The antique oak side table remains structurally solid and sound, with the drawer running well. Overall, a good example of its kind.
