## Description

We are delighted to offer this exquisite vintage 9K gold peridot necklace c1980. The necklace features a very elegant cascade drop design with a tiered structure of beautiful half-cut peridot cabochons. Each gem has a wonderful and iconic light green lustre that exemplifies fine peridots and is well matched in colour giving a unison appearance upon wearing. Upon wearing, the necklace beautifully disperses around the neck and presents the cabochons delightfully - natural lighting further enhances the beauty and is certainly a distinguishing piece. Peridot is known to be the birthstone of August. A splendid gift to a lucky individual or as an indulgent treat for oneself. Distinguished, elegant and ideal for the discerning jewellery lover wishing to make a stylistic statement upon wearing. The pendant is marked "375" signifying 9K solid gold on the clasp of the necklace. \*Please note we will include a complimentary modern 9K solid gold chain so that it is ready to be worn, however, all other items (such as antique belcher chains) are for display purposes only and available for purchase separately.
