Description

We are delighted to offer this magnificent and large Victorian 18K gold brooch. The brooch is constructed entirely from solid 18K gold in the form of a fleur-de-lis. Elegantly sculpted with particular attention to exquisite curves and angles on the surface, this brooch certainly presents an aura of importance and majestiness. In addition to the rich antique gold tone, 7 'baguette-cut' rubies are set in the waist section of the brooch which accentuates the overall classic style and further adds an element of opulence. The rear of the brooch features a pin and clasp allowing it to be worn stylishly with clothing of your choice. We would suggest pairing this brooch with a jumper, lapel of a coat or some may even wish to add it to their handbag as additional flair. A very special gift to a lucky individual or as an indulging gift to oneself. Classical and ideal for distinguishing one's style in an elegant manner, bound to be a centrepiece attraction of an outfit and a conversation starter. The brooch's pin is marked with continental gold marks and has been tested for 18K solid gold. Ruby is known to be the birthstone of July. Size & Total Weight 4.5cm x 4...
