Description

An English delftware blue and white charger c1760, decorated with a central scene of a bird, flowers and insects, with a repeating border around the rim. The charger measures 33cm in diameter. Condition: This is in good condition for a Delft plate of this age, as they are prone to damage. There is one larger chip to the rim, and a few smaller nibbles, mainly around the bottom of the plate. There is a split in the glaze at the half past four position on the plate. There is a small area of loss to the glaze on the central flower. Dimensions: The charger measures 33cm in diameter and is 4.5cm deep. Free UK delivery.
