Description

Very elegant Regency revival mirror back console table with a hand painted faux marble top and concave plinth base with turned columns, circa 1900. Wonderful simplicity to this console table, finely turned and tapered columns complemented by the grain patterns of the concave plinth with the foxed mirror glass too. The hand painted faux marble top is well textured and suits well...a later addition as most likely would have had a marble top. Good condition and well polished. Measuring: Height: 34 inches or 86.5cm Width: 36 1/2 inches or 93cm Depth: 15 inches or 38cm
