

SA983614

1950s Bifora Top wrist watch

Price

Sold**Item Reference: SA983614****Date of manufacture: 1950**

Description

1950s Bifora Top wrist watch The watch has a Bifora 934 hand-winding movement which is working nicely. The watch measures 31mm diameter excluding the winding crown and the lugs... originally designed as a man's watch, it would suit a slimmer wrist. The main body of the case is gold plated while the case back is stainless steel. There is some marking but not too detrimental. The lens is in good condition. The quartered dial is in its original finish with original hands and a subsidiary seconds dial. A new leather strap has been fitted. The watch comes in a new presentation box.
