Description

Antique Walnut Shaped Bracket Clock With Ormou Mounts By Lenzkirch. This lovely Lenzkirch clock has a walnut case with a fantastic colour and grain. The clock is shaped to the top with a moulding to the top edge. The body of the case then has two beautifully reeded front corners as well as an array of beautiful, shaped ormolu mounts. The sides of the case then has lovely framed walnut panels. The body then has a further moulding to the bottom. Finally the case has a shaped base leading to ornate brass feet at the front and round brass feet at the back. The dial is then arched and brass. It has a silvered chapter ring set out in roman numerals with a thin ring to the outside marking the minutes, with every five minutes being marked in Arabic numerals. The dial then has a silvered "SLOW" and "FAST" dial with is flanked by two brass spandrels, with a further two to the bottom corners. The dial then has two lovely, shaped fingers as well as a shaped hand to the slow and fast dial. Finally there is a lovely bevelled glass door to protect the dial, with working lock and key. The movement is then wound from the front and accessed from the back. It is complete with its pe...
