Description

A charming Victorian antique mahogany Pembroke table. The antique Pembroke table has a rectangular shaped top with drop leaves to either side, creating a larger rectangular surface top when extended. The antique Pembroke table has a single fitted drawer to one side (the other side being a dummy drawer), and is raised on four turned legs with castors. A particularly nice extendable antique table with beautiful colour throughout. Item Ref; M-4702 . DIMENSIONS: Height – 74cm / Width – 92cm / Depth – 45cm / Extended - 95cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor splits to the top (pictured), further marks to the legs. There is evidence of historic woodworm (pictured), however this is now long gone and has been fully treated as a precaution. The antique mahogany Pembroke table remains structurally solid and sound, with the drawer running well. Overall, a good example of its kind.
