Description

Pair of late 19th century French baluster-shaped vases in the Sèvres manner; each with an oval reserve painted with cherubs within gilded foliate frames on a bleu-celeste ground. Circa 1890 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
