Description

Rare pair of decent sized Edwardian period Sterling silver tazzas by ASPREY'S of LONDON. Nice shape turned stems with fretted design tops. They are a lovely shape and stand really well. Both have weighted bases to stop them falling over. As to be expected with anything by Asprey's they are decent quality. The condition is very good with no issues to speak of. They do have a monogram on the bases but it is not offensive. Hallmarked for BIRMINGHAM 1907 SIZE; 8 1/4" diameter by 5 3/4" high CIRCA; Hallmarked for 1907 MAKER; ASPREY'S of LONDON
