Description

A Scandinavian heavy pine box with original red paint and iron strap work, dated 1837 to the front. There is a candle box internally and the box has a fully functional spring loaded lock and key. A simple and very attractive pine storage box, which is solid and surprisingly heavy. The box is of medium size and may have been a tabletop box, but it is large enough to be floor standing as well. The box is in good condition throughout with wear and patina you would expect from age. I think the escutcheon is a replacement as there appears to be a mark from a bigger one. The lock is in full working order, though is a little sticky and may benefit from a little oil. Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer. If you need an item by a certain date please speak to us prior to ordering and we'll try to help.
