Description

Early 19th century Regency period mahogany arm/desk chair with inset veneered top rail, with ebony line inlay above a scrolling horizontal back splat; recently re-upholstered seat standing on turning and tapering legs. Circa 1810 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where, from time to time, we hold Open Weekends.
