Delhi Electric Engineering Works Brass Table Lamp

Price

Sold**Item Reference: SA984932****Date of manufacture: 1920**

Dimensions

Height = 41 cm (16.1")

Width = 13 cm (5.1")

Description

A lovely example of a simple brass table lamp dating from the early 20th century. It has a round weighted brass foot, upright arm and brass switched bulb holder. The base is stamped "Delhi Electric Engineering Works No.9". The lamp is in good condition and displays well. The brass has been lightly polished to retain its aged patina. There are a few small dinks and dents and signs of age and use but nothing detrimental. It has been PAT tested and rewired to modern standards to take a standard bayonet bulb (bulb not included). The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15
