Description

A beautiful Victorian stationery box of the highest quality. It is Coromandel wood with a lovely rich patina and a domed top. It is mounted with ornate mother of pearl and studded banding and a star shaped cartouche and matching escutcheon. It comes with its original working key. The top opens up to reveal fitted partitions for holding papers and letters. The lid is lined with a beautiful deep purple silk. It is in good original condition and although it has been used it has obviously been very well looked after over the years. There have been some small repairs and there are a few small knocks and marks around the outside, general signs of age and light use but nothing detrimental. The hinges have some damage but they are still strong and sturdy. The box has been cleaned and gently polished and overall it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15
