Description

A lovely antique Edwardian side cabinet in mahogany. This was made in England, it dates from the 1900-1910 period. The quality is fantastic, this is a very useful size, perfect for use as a bedside cabinet or in various settings around the home. There is a single drawer, with a brushing slide that pulls out from below the top. This has a bow shaped front, it sits on tapered legs terminating in spade feet. The mahogany has a gorgeous colour tone and stunning grain patterns, there is lovely satin wood inlay around the borders. We have had this recently re-polished, the condition is excellent for its age. Width – 16 inches , 41 cm Depth – 12 inches , 31 cm Height – 30 inches , 75 cm
