Description

A charming Georgian antique mahogany chest of drawers. The antique mahogany chest of drawers has a rectangular shaped top with a moulded edge that sits above two short over three long graduating drawers, each with swan neck drop handles. Raised on bracket feet. Lovely colour and patina throughout. Item Ref; M-4673 . DIMENSIONS: Height - 98cm / Width - 111cm / Depth - 53cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured), also stains to the top (pictured). The drawer's beading is missing on the sides of each drawer (pictured), however this doesn't affect the overall integrity of the product. The Georgian mahogany chest of drawers remains structurally solid and sound, with most of the drawers running well (top right slightly stiff at first pull). Overall, a clean example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item...
