Description

A superb original Art Deco period cocktail drinks cabinet in birds eye maple. This was made in England, it dates from the 1930's. The quality is amazing, the birds eye maple has a gorgeous blonde colour tone, with contrasting darker walnut banding and the top, middle and lower edges as well as the handles. It is very well made and heavy, the interior is also beautifully fitted out. The upper section has two shaped glass shelves, a mirrored base and a mirrored pull out serving tray slide. There are also bottle holders built into the doors. The lower cabinet has a fantastic slide out bottle rack. We have just had this re-polished, it is in excellent condition for its age.
