CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches and dents to the top, sides and front (pictured), also shrinkage to the top and sides. There is a minor split to one of the feet (pictured), however this doesn't affect the overall integrity of the product. The Victorian pine chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind.
