Description

Very decorative French 3/4 size large single bed in mahogany with sun burst veneers and brass mounts, circa 1900 and in good condition. Wonderful colour to the contrasting mahogany, highlighted with the brass mounts. The bed has its original matching side rails and bolts so the frame is very solid when built...the mattress size below is for a 3/4 size with the mini divan or slats and mattress placed on the side rails, but you might prefer to use a smaller divan and mattress and place them directly on the floor and have the frame around if that makes sense? Get in touch for more details! Priced as the frame only, Measurements: Headboard is 56 inches or 142 cm high Footboard is 31 1/2 inches for 80 cm high Maximum frame width is 51 3/4 inches or 131.5 cm Mattress size is 48 inches X 79 inches (standard 3/4 size at 120cm x 190cm)
