Description

Antique Waltham Traveler pocket watch 1908. The watch has a stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number 16932859 which dates it back to 1908. The movement is protected by an inner hinged cover. The watch measures 50.4mm diameter excluding the winding crown and the stem. The case is gold plated and is the Star model made by the Dennison Watch Case Company, supplier of cases to Waltham UK. The case is also signed American Waltham Watch Co. The case has light marking and light wear to the bottom of the back but overall it is in nice condition for such an early piece. The glass lens is in nice condition with only minor marking from use. The signed white dial is in nice condition with original blued steel hands. The watch comes in a new presentation box.
