with paint effect top

Price

Sold

Item Reference: SA985977

Date of manufacture: Victorian

Dimensions

Height = 72 cm (28.3")

Width = 101 cm (39.8")

Depth = 101 cm (39.8")

Description

The the mahogany based centre or dining table has a tapering central column terminating in carved scroll toes. The top has been professionally painted by a local artist and paint conservator to mimic a slice of petrified wood. Please see images of the slice used. The top was correctly prepared by applying a coat of gesso prior to the paint effects .A layer of shellac protects the painted surface. This is a Victorian table given a super, modern twist. Table c1850
