Description

Large and Stunning Antique French Gilt Brass Clock Set by A. D. Mougin ~ French - Circa 1890 ~ ~ Excellent condition, fully overhauled ~ A substantial and very finely detailed original antique French gilt brass clock set. It is gothic in design with mythical creatures, lions masks and elaborate, flowing, scrolling foliage. The original gilding is very good and we have cleaned it to a stunning clean and bright condition. The clock sits on hairy paw feet with a base of stylised waves. Mythical sea creatures rise from each side of the clock as to carry it across the ocean. To the front of the clock is a coat of arms motif featuring lions rampant against an unfurled banner. The front panel of the clock is blind fretted with an intricate design with two columns to the sides supporting the broken arch, beneath which sits the large enamel dial. It has a cream background with red crown half-hour markers, large blued steel hands and convex glass. To the top of the clock is a large urn. Candelabra are similar in style with pieced ovoid urns with handles formed as mythical creatures. The French movement is of high quality and has the A.D. Mougin mark on the movement backp...
