Description

Antique Elgin pocket watch 1916 The watch has a grade 364 fifteen jewel stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 18607572 which dates it back to 1916. The watch measures 44mm diameter excluding the winding stem and the loop. The case is the gold filled and is the Royal model made by Bates & Bacon. The case has minor marking but overall it is in nice condition for such an early piece. The case has a screw on front and back. The glass lens is in nice condition. The signed dial is in nice condition. The watch has its original blued steel hands. The watch comes in a new presentation box.
