Description

These are a very stylish pair of early 20th century Ash and Elm smokers chairs. They have wonderful figuring to the seats and great patina to the arms. These are in solid condition and are ideal for everyday use. The only thing to note is the legs have been re tipped which is fairly common to retain the seat height from years of use. All solid and no other faults. Height 81cm Width 61cm Depth 61cm Depth of seat 44cm Height of seat 46cm Price is for the pair Price also includes UK mainland delivery
