

SA986492

George II mahogany armchair

Price

Sold

Item Reference: SA986492

Date of manufacture: 1750

Description

A handsome George II mahogany armchair; the shaped top rail above a pierced splat and outscrolling arms; having a leather covered stuff-over seat and raised on square legs united by an H-stretcher. This armchair retains a superb colour and would make a superb desk armchair with its slightly set back arms.

Internal Ref: BA810
