Description

A charming Regency antique bow front mahogany chest of drawers. The antique chest of drawers has an arrangement of three long graduating drawers, each fitted with decorative embossed brass backplates and drop handles. Raised on out-swept bracket feet. Beautiful colour and grain throughout. Item Ref; M-4677 . DIMENSIONS: Height - 88cm / Width - 99cm / Depth - 51cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and fading to the top and sides (pictured), further marks and scratches to the front (pictured). There is evidence of historic woodworm to the back (pictured), however this is now long gone and has been fully treated as a precaution. There are losses and repairs to the veneer in places (pictured), however this doesn't affect the overall integrity of the product. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example.
