Description

Technical Description A truly outstanding pair of 19th century wine glass goblets dating to c1880. They have round funnel bowl beautifully engraved and cut with alternating cut arches, ferns and flower garlands with polished details. Alternating slice and notch cut stems above star cut feet. Without doubt one of the best pairs we have ever exhibited, the cutting and engraving style being most unusual. Date & Origin England, c1880. Condition Excellent, no chips cracks or restoration Dimensions Height: 17.7cm Rim diameter: 7.7cm Foot diameter: 7.7cm

Internal Ref: 2023050211
