Description

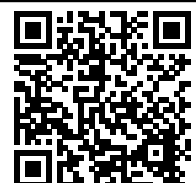

An absolutely stunning original Art Deco period cloud back dining suite in burr walnut. This was made in England, it dates from the 1920-30's. The quality is outstanding, this is so well made and beautifully designed. The chairs have wonderful scooped backs with gorgeous burr walnut on the inside and outside. The twin pedestal table also has exquisite grain patterns and lovely curves to the edge of the table top and the base. We have had all the wood stripped and re-polished to a very high standard, and the chairs have been newly upholstered in a cream cotton fabric. The condition is superb throughout.
