Description

A very large and impressive antique French table lamp of the highest order. This was made in France, it dates from around 1880-1900. The quality is outstanding, this is beautifully made with incredibly fine details. There are two bronze ladies with a gorgeous patina, standing on a gilt bronze base supporting three gilt bronze floral arms. This is very large and is extremely well made. We have had it re-wired and it is in good working order. The overall condition is excellent for its age, with only some extremely minor surface wear.
