Liberty & Co large art's and
crafts Japanese carved
occasional table

Price

Sold

Item Reference: SA987214

Date of manufacture: 1900

Description

A larger than average liberty table ,no worm or damage. Beautifully carved to edges leaving the centre plain which is more practical for everyday use. Liberty commissioned these tables to be made and carved in Japan by Japanese fisherman in their quiet periods, similar to Newlyn fishermen in Cornwall. All sizes are in inches... 23 diameter,27 tall good and strong. Delivery to UK mainland £25.00. Thanks for looking.
