Price

Sold

Item Reference: SA987218

Date of manufacture: 1920

Dimensions

Height = 66 cm (26.0")

Width = 26 cm (10.2")

Description

A lovely example of an original antique French 'rise and fall' light. It has a frosted glass shade with a fluted edge and is connected to the traditional rise and fall pulley with its original ceramic pulley wheels, ceiling fitting and counterweight. The light has its original gallery and has been re-wired with white braided cord and fitted with a modern bulb holder to fit a standard bayonet bulb. We recommend it to be checked and fitted by a professional electrician. It is in good condition for its age and displays very nicely. The shade is undamaged as is the counterweight and pulleys. There is some slight discolouration on the pulleys but nothing detrimental. Approximate Measurements: Shade Diameter : 10" (26cm) Height : 26" (66cm) * The length of the cable can be easily shortened or lengthened, this is just how it is currently set up. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £25
