Description

A good example of a solid Sterling Silver pepper shaker. It is a small design with a traditional rounded shape and pierced top. It is good quality and weighs approximately 10g. It is clearly hallmarked on the base for Birmingham, 1904 and the makers Levi & Salaman. It is in good condition for its age. There are some faint surface marks and minor dinks around the rim but nothing detrimental and overall it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6 Rest of the world £25
