Description

A large antique pier mirror dating from the early 20th Century. The frame is carved wood with an outer twisted border and leaf inner border. It has its original mirror plate with some minor marks and spotting but nothing detrimental. It is a very unusual narrow size and could be used either landscape or portrait. It is in good condition for its age and displays well. The gilded frame is in good condition with some small losses around the edges but nothing detrimental. It has been lightly cleaned and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
