Description

A lovely small silver heart shaped Sampson Mordan chatelaine scent bottle presented in a super red leather fitted case. Absolutely wonderful. The bottle is marked on the outside of the cap and on the inside, makers mark clearer on the inside of the neck. The red leather case has obviously been made specially for it and the whole thing retailed in Edinburgh by R L Christie. Just great to have the bottle and the case. Chester 1900. The case is lined in a really deep red silk and velvet, the box is in great condition opens and shuts well and gold tooling to the top and the inside edges.
