Description

An attractive Georgian antique mahogany birdcage tilt top table. The antique table has a circular shaped top, which is raised on a turned pedestal with a tripod base. The top can be tilted upright for storage purposes, and has a 90 degree rotation. A rather neat example, with wonderful patina throughout. Item Ref; M-4687 . DIMENSIONS: Height (table) - 71cm / Height (upright) - 116.5cm / Width - 82.5cm / Depth (upright) - 63cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and fading to the top (pictured), further scratches and splits to the legs (pictured). There are losses to one of the feet (pictured), however this doesn't affect the overall integrity of the product. The antique tilt top table remains structurally solid and sound, with the rotating birdcage mechanism working well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report.
