Description

A stunning antique walnut drinks cabinet in the Queen Anne style. This was made in England, it dates from around the 1920-30's. It is of superb quality, with spectacular walnut grain patterns and fine, crisp carving throughout. The top section opens to reveal a sycamore lined drinks cabinet section, with glass shelves, a mirrored back, mirrored base and a pull out mirrored shelf. The doors have shelves for holding glasses and this even comes complete with original cocktail picks. There is an additional cabinet compartment in the lower section which is mahogany lined. This cabinet is well above the average similar model, having panelled doors & canted corners. We have had this recently re-polished, the condition is excellent for its age. Width - 36 inches , 92 cm Depth - 19 inches , 49 cm Height - 66 inches , 97 cm
