Description

A large East German complete bedroom unit, consisting of a slim, full height hanging area on each end, 2 glazed doors (with 2 shelves inside) above 4 drawers (each with wooden knobs) in the centre. The hanging areas have 21" internal depth, easily large enough for hanging large coats/suits etc. We can fit a rail at the top of each, or maybe you'd like a shelf at the top, with a rail below the shelf, or possible just shelves fitted all the way down? (Shelves would be £25 each). A lovely arched crown with a decorative centre emblem. All sitting on 4 x bun feet at the front, blocks at the back. All wax finished. This piece dismantles for delivery, the largest section being the centre. Please see video below for more details, or contact us for more details. Height: 85", width: 66.5", depth: 24", internal depth: 21"
