Description

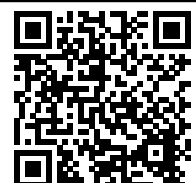

A charming 18th century antique mahogany chest of drawers. The antique chest of drawers has an arrangement of six long graduating drawers, each with two swan neck drop handles and central diamond shaped bone escutcheons. Raised on bracket feet. Lovely colour and patina throughout. Item Ref; M-S010 . DIMENSIONS: Height - 130.5cm / Width - 106cm / Depth - 51.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured). There is further wear to the top and sides, including age-related splits (pictured), however this doesn't affect the overall integrity of the product. There is evidence of historic woodworm to the back (pictured), however this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
