Description

A well presented 18th century antique mahogany inlaid chest of drawers. The mahogany chest of drawers has an arrangement of two short over three long graduating drawers, each with decoratively turned knobs. There are two small secret pine drawers to the back of the top right drawer. The 18th century chest of drawers is raised on out swept bracket feet. Brilliant colour and patina throughout, with decorative inlay detail to the top and front. Item Ref; M-S011 . DIMENSIONS: Height – 108.5cm / Width – 111cm / Depth – 50.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front, sides and top (pictured), further splits to the front and top (pictured). The front also has minor losses and repairs, however this doesn't affect the overall integrity of the product. There is minor evidence of historic woodworm to the back feet (pictured), however this is now long gone and has been fully treated as a precaution. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready...
