Description

Wonderfully stylish and so indicative of this bygone era is this Art Deco 1930's king size bed. Veneered in blonde burl maple with satinwood banding to accentuate the over-all odeon / cloud shape. The blonde colouring would easily integrate this bed with both modern and Deco themed interiors. Although this bed will accommodate a king-size bed it will of course also work with a double as well. Completely and professionally restored this bed comes to you in great condition. The width between the two side cabs is 81.5" (207 cm). This bed comprises a headboard and two side cabinets and comes in three parts, the central cloud shape headboard is screwed to the back panels of the side tables. It's very simple and easy to put together and looks very classy in situ. The cabinets both have an open shelf and cupboard below and a section to the side for we think magazines or general reading matter, quite a nifty design. The tops are of the cabinets and that extra glam of being tinted rose mirror. Overall this is an exceptional bed and will make the perfect focal point to a bedroom. Cabinets themselves are height 59.5 cm with 38 cm depth 38.5 cm FREE UK mainland two man delivery Oth...
