Description

A beautiful top quality set of German antique solid sterling silver gilt ice cream spoons and server. They are all hallmarked with the German crescent moon and crown mark, 800 standard mark along with a makers mark. I would date them to c1900. They have been beautifully designed and are in superb condition being free from dings splits and repairs. The server measures approx. 9 inches (23cm) long by 2.5 inches (6.5cm) wide and the spoons 5 inches (12.3cm) long by 1.25 (3.3cm) wide and have a combined weight of 156 grams. Beautifully made examples.
