Description

An attractive Victorian antique ebonised glass display cabinet. The antique display cabinet has a single glazed door that opens to reveal a neat interior, consisting of three shelves, lined with its original velvet. The ebonised display cabinet has panelled sides and is raised on four decorative bracket and spade feet. A rather pleasing example, perfectly used as a stylish storage solution for collectors. Item Ref; M-4713 . DIMENSIONS: Height - 159cm / Width - 56cm / Depth - 39.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured), however very minimal. There are further losses to the ebonised staining on the sides in places (pictured), also staining to the velvet interior (pictured), however this doesn't affect the overall integrity of the product. The antique glass display cabinet remains structurally solid and sound, with the glass intact. Overall, a good example.
