Description

Antique oak pot board dresser base. This Antique oak pot board dresser base was made circa 1820. It has 2 drawers above the attractive shaped and pierced apron. The well-turned front legs join the pot board that consists of good deep hand sawn boards. Its back legs have the unusual feature that they are chamfered. The top has one deep board and a narrow later board to the rear. This dresser is a good width and not too deep and so makes a brilliant piece of furniture to fit in so many places around your home. Imagine the pleasure ownership of this delightful Antique oak pot board dresser base will give you as it sits beautifully in your home.
