Description

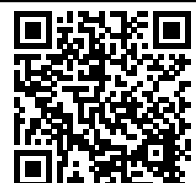

Here we see a beautiful pair of 'dizlyks' - wedding-camel knee decorations - made by the Yomut Turkmen during the last quarter of the nineteenth century. It is rare now to find an existing pair of dizlyks, as many were separated at some point after acquisition! I located this pair in north-eastern Iran last month and I'm delighted to say, they have now found a beautiful home in London. Size: Each dizlyk is 42cm x 30cm (16" x 12").
