Description

A Beautiful Pair of Venetian Painted Bedside or Lamp Tables Circa 1920. These lovely Italian tables are delicately carved with pretty heart shaped design to their top and sides. They have been skilfully painted with a green and gold colourway with traces of cream and red. Holding a bank of three drawer with carved shell decoration to the apron below. Standing on nicely carved cabriole legs. You will struggle to find a better pair of Venetian cabinets! Lovely colour combination with just the right amount of faded and jaded. They come complete with glass tops which you can leave off if you so choose.
